## FURTHER CONTRACTS WITH MoD

Avon Protection received a contract worth £4.5m for its S10 and FM12 respirators from the UK Ministry of Defence (MoD) in March 2009. This multi-year contract has the potential to exceed £10 million over the next three years.

Under this contract a further MoD order worth £1.2 million was placed in September 2009 for delivery in the first half of 2010.

Avon Rubber p.l.c. has been the sole supplier of respirators to the UK MoD for over two decades. The contract demonstrates the MoD's continued trust in Avon's products in protecting our troops in the most hostile environments now and in the future.
