## US GOVERNMENT CONTRACT SECURED

In February 2009 Avon Protection announced receipt of a second award from the US Government for 100,000 M50 Mask systems in respect of year two of its ten year sole source contract.

Throughout the year the Department of Defense (DoD) placed further orders against the contract bringing the combined value to \$41.5 million, while various awards under the spares contract totalled \$30.8 million for the year.
